NOTE:

- 1: Zonemaster VAV, Unipoint RF and Unipoint/Maxipoint are all 24 volt powered and therefore do not require installation by an Electrician in most states. However check local regulations before fitting.
- 2: All Zonemaster products come with an easy to follow installation manual/user guide. We recommend that this is read and followed during installation for a fault free job.
- 3: For current pricing [contact](#) your nearest Polyaire branch or representative.
